Rally for Ryan
Rally Against Duchenne Muscular Dystrophy

Our son, Ryan Karlin is a 15-year-old boy, who lives in the Chicago suburb of Naperville, Illinois. Ryan, the youngest of four children, is a sophomore at Waubonsie Valley High School who enjoys all kinds of activities, including broadcasting play by plays of the varsity football team. Ryan is proud to be the 2017 Illinois MDA Goodwill Ambassador and the poster child for Ann and Robert H. Lurie Children's Hospital.

Ryan was diagnosed with Duchenne Muscular Dystrophy on April 15, 2008. Duchenne Muscular Dystrophy or DMD is a genetic disease, which affects 1 in 3,500 boys. Boys experience degenerative muscle weakness and loss of ambulation usually by age 12. There is currently no cure for this life limiting disease.

Rally for Ryan is dedicated to finding a cure for this devastating disease. All proceeds raised will go to researchers who are diligently trying to find treatments, and ultimately a cure for Duchenne Muscular Dystrophy. With your generosity and support, our vision to find a cure for Ryan and other boys can become a reality.

Please join us and help support Rally for Ryan!

Thank you and God bless,
Geri and Marty Karlin

If you can't make it to the 2017 Rally for Ryan, you can still support our cause.
Make a donation or buy the two raffle tickets enclosed.
